

## At the Crossroad/Turning Point

For sure we have managed to arrive at the crossroad, the turning point of our existence and I am surrounded by passivity and complete lackadaisical attitudes everywhere. There is so much to say/share...

To begin with the Greek Word *ecclesia* which is translated *church*. This Greek word appears in the New Testament approximately 115 times. That's just in this one grammatical form. It appears also in other forms. And in every instance, except three, it is wrongly translated as *church* in the King James Version. Those three exceptions are found in Acts 19:32, 39, 41 (See <https://aggressivechristianity.net/articles/ecclesia.htm>). In Acts 19, *ecclesia* is a town council: a civil body in Ephesus. Thus, the translators were forced to abandon their fake translation in these three instances. Nonetheless, 112 times they changed it to *church*. This fact has been covered-up under centuries of misuse and ignorance. The Greek word *ecclesia* is correctly defined as: *The called-out (ones)* [ECC = out; KALEO = call]. Thus, you can see how this word was used to indicate *a civil body of select (called, elected) people*. Further, the article states: *“When you consider the fact that an ecclesia was a civil body politic, this is strong proof that the Christian ecclesias we read about in the New Testament were independent civil bodies of Christians -independent from worldly kings and governors, ruled by the Theocratic government of God's Spirit. They wanted freedom to serve King Jesus. They weren't building and attending churches! Please understand! The pattern laid down in the New Testament bears no resemblance to what we know today as church. God's people are meant to live by the ecclesia pattern -together in communities, holding all things common, under the government of God through His anointed leaders. Quit saying church when it is supposed to be ecclesia! It's an important step in retrieving your brain from the trap of religious confusion.”* We are the **Kingdom of God** on the earth and we are here to enforce the decrees of **King Yeshua**, and as such we are **100% political in our actions for the sake of His Kingdom!** If you are not this passionate about the King and His Kingdom, you are in the wrong congregation and crowd.

Do you think I am wrong/nuts? Here are 10 Things Passive People Say (See <https://www.psychologytoday.com/us/blog/the-squeaky-wheel/201511/10-things-passive-people-say>): (1) They leave their future to "the fates"; (2) They believe "things just happen"; (3) They confuse failure with destiny; (4) They believe "luck" is an important ingredient for success; (5) Their language is hesitant and tentative; (6) They're big on approval-seeking; (7) They belittle their own views; (8) They have trouble committing to a position; (9) They always put the other person's needs first (but not because this is what God wants); (10) They say "yes" when they would prefer to say "no."

People approach voting as choosing "their candidate" but it is not about our candidate, it is about King Yeshua's candidate. Even more important is the issues. Let me share a video sent to me by Rabbi Ackerman (See <https://www.youtube.com/live/ywiEUr4C4Hs> but let's start at the 2:04 mark).

Information keeps coming which solidifies our stand. Do you have an ear to hear (*shema*)? *“He who has an ear, let him hear what the Ruach is saying to Messiah's communities. To the one who overcomes, I will grant the right to eat from the Tree of Life, which is in the Paradise of God” (Rev. 2:7)*. For example, in an e-mail I got this chart from the Florida Family Association. They send it to thousands of people in Florida. You can't get any clearer information on the issues that matter to families: (See *PresidentialVoterguide2024.jpg* in the Florida Family Association website <https://floridafamily.org/>)

Our very own Messianic Prophet, Rabbi Jonathan Cahn published a very impactful video in 2020 and has now released another video three weeks ago warning America to vote on the issues. Let's hear his 15 minutes message together: (See [YouTube.com/watch?v=V4KFls5RcCw](https://www.youtube.com/watch?v=V4KFls5RcCw))

On Yom Kippur I shared: *“One thing is clear in this election year, it is not business as usual. There is a deep divide in our nation. Sin has become so entrenched in our society that what is right and what is wrong are quickly becoming one and the same.”* But we, His Army, must mobilize, stop the madness and fight the devil and **OVERCOME** him as stated in Scripture: *“<sup>11</sup>They (Kol Simcha) overcame him (Satan) by the blood of the Lamb and by the word of their testimony, and they did not love their lives even in the face of death” (Rev. 12:11).*

On behalf of Yeshua our King, our nation, our families, our congregation, our lives: *we regret and we repent and we will overcome! Shabbat Shalom!*
