

## The Power of Your Voice for 2025

*“<sup>20</sup>His invisible attributes – His eternal power and His divine nature – have been clearly seen ever since the creation of the world, being understood through the things that have been made” (Romans 1:20)*

I graduated with a PhD in Electrical Engineering (EE) from the University of Florida (UF) in December 1981, and was hired as an EE faculty member at Auburn University in the Fall of 1982. In 1985 UF recruited me and I accepted a faculty position and returned to UF as an Associate Professor in EE. I worked with the Mind-Machine Interaction Research Center (MMIRC) in the analysis and synthesis of human speech in order to generate and understand speech via computers. We succeeded. Today the algorithms and models we generated over decades at the MMIRC form the basis of the voice activation technology wonders like Siri, Alexa, and Google Assistant. The convenience of voice activation and speech recognition cannot be understated. A myriad of voice-activated devices including doors are routinely available. You could walk up to your own door and say: *George, let me in?* Your keyless door now opens. *Siri, timer ninety minutes*, starts a 90-minute timer without picking up and turning on your iPhone. The iPhone is listening to everything that is being said looking for the trigger word, *Siri, Alexa, or Google*, to activate, understand and process the *assumed* command.

Similarly, in the Kingdom and Body of *Messiah Yeshua*, we need to understand the *power of your voice* to activate things in the spirit realm. Many things in our jurisdiction have been stalemated, stagnated, or resisted and all these may be awaiting activation. We know we are made in the image and likeness of *Yah-Adonai*. He created everything using only His voice. Could it be that in this season *Yah-Adonai* is saying to us *open up your mouth* and start making My Kingdom decrees (*that is proclaiming the Spoken Word of our King, the Wisdom and Truth of Yah-Adonai!*). Open your mouth and start activating the authority that *Yeshua* has given you to initiate action. If we are His Body, and we are, then we must do things the way He did. When *Yeshua* moved among the crowds, He did not use a *petitioning voice*—He used His *decreeing voice*. He said: *“Woman, you are set free from your disability” (Luke 13:12)*. He said: *“‘Stretch out your hand.’ And he (the man) stretched it out and it was restored, as healthy as the other” (Matt. 12:13)*. And: *“<sup>8</sup>Yeshua tells him, ‘Get up! Pick up your mat and walk!’” (John 5:8)*. Have you ever wondered why *Yeshua* always spoke *before a miracle took place*? I always reasoned that it was to announce what He was about to do in advance of doing it and thereby prove that His Words delivered the goods. But could it be that in the Kingdom of Heaven (that is here and now) the *Speaking of the Word (a decree) MUST* precede the action?

Other times He said things like: *“<sup>41</sup>So they rolled away the stone. Yeshua lifted up His eyes and said, ‘Father, I thank you that You have heard Me. <sup>42</sup>I knew that You always hear Me; but because of this crowd standing around I said it, so that they may believe that You sent Me.’ <sup>43</sup>And when He had said this, He cried out with a loud voice, ‘Lazarus, come out!’” (John 11:41-43)*. Why did He cry out (*with passion*)? Maybe this miracle was *The Big One (a resurrection)* or maybe He need to yell for His voice to penetrate the grave. No! He had just stated that His Father, *Yah-Yehovah*, already (and always) heard Him. Maybe He had to say *Lazarus*, or *everybody else would have come out of the Grave!* There was power behind His voice, but I do not think it necessarily needed to be loud. You see, I believe we have to understand the power behind our voice and the season that we're in. *We're in a season of doors!* In fact, we're in a season of *voice activated doors* and the natural reveals the spiritual. How did Paul and Silas, in prison, deep in the in the vowels of the prison, got out? The miracle started when they began opening their mouth not only to pray but to praise. That praise and worship and prayers began to *voice-activate* the *Angel Armies of Yah-Adonai* and those activated Angels came and began to break locks, chains, and doors to get them out

of prison. Thus, they were set free. Some of you have been in prisons of your own making by your own words and the *Ruach* is saying today that instead of complaining or rehearsing all the things the devil's done wrong to you (the *O poor me syndrome*), what you need to do is to start opening up your mouth as the *Body of Messiah* and start activating a different atmosphere and dynamic over your life that begins to cause the change that breaks the status quo and causes doors to open and releases captives to be set free.

We are in the right season and this is the right hour, right now, to see things open that we've been praying about for a very long time. How many of us have things that *Yah-Yehovah* has spoken over us that you haven't seen fulfilled yet? How many have prophetic promises that you know *Yah-Yehovah* has spoken but you haven't seen come to pass? What are you doing with those prophetic words? Do you have them in a nice neat little notebook or as loose notes in your Bibles that you carry and then rediscover them maybe once a year? Have you heard that *Yah-Yehovah* says “*28you shall decree a thing and it will be established for you!*” (*Job 22:28, KJV*). The Scripture that precedes this verse says: “*27You will pray to Him and He will hear you, and you will fulfill your vows*” (*Job 22:27*). Then, what shall we decree with our mouths? The Word you shall decree. His promise you shall decree. His prophecy you shall decree. Don't just listen to your words. Instead of just reading these words from *Yah-Yehovah*, we need to activate our spirit man to open up our mouth and start *decreeing (with passion)* the thing that *Yah-Yehovah* said. We can start decreeing the Word that *Yah-Yehovah* has spoken in general but also His Word to you specifically. Honestly, many of us do have personal words from Him. How long have you been waiting these words to come to pass? A really long time? Therefore, it is *Time to Activate!*

What do these delays tell you? Do they mean that *Yah-Yehovah* is not going to do it? Perhaps, *Yah-Yehovah* needs us us to *partner with Him*. We see in the spirit that there are some things that are happening already. *Then Decree* (and *thereby command*) everything to come into alignment with His Word and you're going to begin to see things that have been just loosely hanging out there suddenly begin to focus and come into fruition. Who was that Word for? (*For George, I guess. NO! For ME!*). Aren't many of you working on things right now that you need to see begin to manifest?

We can no longer sit back and passively wait. *Passivity is over!* We've got to be *actively and aggressively speaking and decreeing* the things that *Yah-Yehovah* has said. *This is the season of voice activation!* There are going to be doors that need to get opened and *Yah-Adonai* will highlight them to us. These are doors to gates (even ancient gates) that are now ready to open. When Peter and John went to the Gate Beautiful (the Greek Word used here for Beautiful does not mean pretty, it means the *right time/moment/hour*). So they activated something in a man that had been sitting by the right now gate for decades. The lame man came to this gate, and as was his custom, and began asking for alms. Do you know what Peter said? “*I want you to look at us — look at us!*” (*Acts 3:4*). Then Peter began to make his decree when he said: “*Silver and gold I do not have, but what I do have I give to you – in the name of Yeshua ha-Mashiach ha-Natzrati, get up and walk!*” (*Acts 3:6*). *IMMEDIATELY* the man's bones became strong, and he leapt to his feet, and went “*walking and leaping and praising God!*” Supernatural healing at the right time, hour, and moment came upon the lame man and he experienced it. This changed his life *forever*. The *Ruach* is saying that this *suddenly season* is upon us. It is in our day, perhaps today, and maybe even right now. In this 2025 season we are NOT going to sit back and wait for *Adonai* to do it all. Instead, we are going to aggressively begin to partner with Him and open our mouth and decree. *Yes & Amen!*
