

## Revisiting KS Foundational Truths: Part 3

### INTRODUCTION 3:

On 11/23, 12/14 & 12/28 I shared that the Almighty is urging me to revisit fundamentals in the hope of each and everyone of us examining ourselves and our situations and us moving toward resolution and victory. *No one* in *KS* is exempt. We are all flesh trying to grow into Spiritual Beings. Do not be stuck in what you learned in the past but be open to what *Yeshua* and the *Spirit* reveal today. Ask *Yah Adonai* to *show me my weaknesses*. Do not fall into the trap of hiding your weaknesses and succumbing to pride. *From whom are you hiding your weaknesses and sins?* Don't wait and repent now, today, and start recovery before it gets *shouted from the rooftop*

### A PROMINENT DAMAGED RELATIONSHIPS ROOT IS A WOUNDED SPIRIT

It is so critical to understand how conflicts develop. *Many adult problems are nothing but unsolved/ unresolved youth problems.* The reality is that *the one with the wounded spirit does not come and tell the one who did the hurting.* They *BOTH* suffer in silence. But it is not silence because other things begin to happen. I remember I said to my son *"hey, we'll do such & such"* and it never happened...

### HOW FAR AND DEEP ARE THE NEGATIVE EFFECTS OF A WOUNDED SPIRIT IN FAMILY RELATIONSHIPS?

I remember clearly Tuesday night, February 20, 1990 when I first heard the following analysis of a wounded spirit entitled: *Abnormal Social Developments*. At 7:05pm I said to myself I'm not in that chart! Wrong! One hour later I found I was not only in the chart, but in multiple places! I fought the tears and purposed to fix everything I could from that moment forward... Few things in my life have had the overall impact of the following 58 min session. Maybe you can also discover some key nugget that can help you in your recovery...
