

Adonai Has Already Healed You: Yeshua Healed Everyone – Part 2

Last week I shared that *Yeshua The Healer is in you*. As we deepen into *Yah's* revival and begin experiencing the *Book of Acts*. I also shared that we need to eliminate hindrances in the functioning of *HS-directed healing* in our midst. *KS* is to be fully active in His *Awakening*.

We established that *Yehovah Rapha* sent *His Word*, *Yeshua our Rophé*, and *rescued (redeemed)* us from the pit we are/were in: *"²⁰He sent His word and healed them, and rescued them from their pits (Psalm 107:20)"*. Healing (*rapha*) is a function of the *Redemptive Work of Yeshua*. If *Yeshua* is in you, then *The Healer* (our *rophé*) is in you! A *Yehovah-sent* person, *His Incarnate Word*, was dispatched to *heal me!* *He is Yeshua Rophí* (my *Rophé*). If you have this power (*His Son and His HS*) living inside of you and the *HS* raised *Yeshua Messiah* from the dead, ***why don't we use it this power?*** Why are we always trusting something else and using *The Almighty* as a backup? We need to get committed to the fact that *Yeshua* purchased our healing. It is part of *The Redemption*. It is *not just optional*. It doesn't just come on a few people. You know by observation that many people claim to be healed and yet they aren't. Some do die or they continue to be sick. We assume that *well, maybe God doesn't Will to heal every person*. Wrong! We arrive at excuses to explain why healing doesn't happen. I can't tell you all the reasons. ***But I do know that Yeshua wants every single person healed***. Every time *Yeshua* provided healing in the Gospels, it was for *every disease (everything)*, *without exception*. There are *no exceptions* to the healing that *Yah* sent *Yeshua!*

Let us share actual instances of *Yeshua* healing in the *Besorah* (Gospels). In *Matthew* it is written: *¹⁶When evening came, the people brought to Him many who were afflicted by demons. He forced out the spirits with a word and healed all who were sick" (Matthew 8 :16)*. *The Almighty God* heals *ALL of our sicknesses and all of our diseases*. In *Psalm 103* we read: *"²Bless Adonai, O my soul, and forget not all His benefits: ³He forgives all your iniquity. He heals all your diseases. ⁴He redeems your life from the Pit. He crowns you with lovingkindness and compassions. ⁵He satisfies your years with good things, so that your youth is renewed like an eagle (Psalm 103:2-5)"*. Most people aren't totally convinced of that. Are you convinced? You've got to get completely convinced that *Yah* has already *healed all of your diseases*. The truth is already written in His Word and *Yehovah's Word* is *Truth*. *His Word* is *already settled*. *He* is not a man that *He* should lie. Do you believe His Word? I believe *His Word*. Last week I said that I want *The Truth (His Word)*, the *Whole Truth (His Entire Word)*, and *Nothing But the Truth (His Written Word)*, so *help me God*.

In Scripture we read: *"¹⁹Therefore Yeshua answered them, Amen, amen I tell you, the Son cannot do anything by Himself. He can do only what He sees the Father doing. Whatever the Father does, the Son does likewise" (John 5:19)*. That means that *Yeshua* was not doing things *independent* of His Father. He only did what he saw *Yah Adonai* do. And He said: *"²⁸So Yeshua said, "When you have lifted up the Son of Man, then you will know who I am. I do nothing by Myself, but speak just what the Father has taught Me"(John 8:28)*. We see that *Yeshua* stated He was doing what He saw his Father do. Religion has taught us well: *God will say no because you don't deserve it*. *Yeshua* never ever, ever, ever said *no to a single person* on healing. Not one, not one time, not one time! Most people don't let the Bible get in the way of what they believe. They just go by experience and say *well I know so and so*. It doesn't matter what anybody else says because it is written: *"Let God be true even if every man is a liar"(Ro.3:4)*. We need to align with what the Word says. We need to get to where His word is more authoritative to us than any other thing.

We've got to get to a place that we do not compromise our faith and we don't let what the doctor says, what the lawyer says, what the banker says, or where we say anything that is contrary to what *Yah's Word* says. This is where so many miss it. They don't want to be confrontational and they don't want to offend somebody. I also don't want to offend anyone. But ***we've got to stand against unbelief***. Scripture

states: *"¹⁷No weapon formed against you will prosper and you will condemn every tongue that rises against you in judgment. This is the heritage of Adonai's servants—their vindication is from Me."* It is a declaration of Adonai" (Isaiah 54:17). *Words are weapons.* Words establish the future: *"Death and life are in the control of the tongue. Those who indulge in it will eat its fruit"* (Proverbs 18:21). When you hear: *you're going to die, this is incurable, this can't happen, you're going to be like this the rest of your life,* then we must adjust those words.

Words are weapons and *Isaiah* said you have to condemn them. Now you can be as nice about it as you want to be. We can say: look I love you and I understand what you're saying, and I'm not against you but *that is not going to be how it works in my life* or with the person I'm believing for. Very few people stand up. Most people just cave and give in to the pressure. Obviously we need to get to a place where we only speak His Word. *Yeshua* did only what he saw his father do and He *never failed to heal one single person.* He never told anybody *you haven't learned your lesson yet* and so *you need to suffer a little bit longer. He healed them all:* *"³⁸You know how God anointed Yeshua of Natzeret with the Ruach ha-Kodesh and power—how He went about doing good and healing all who were oppressed by the devil, because God was with Him"* (Acts 10:38). If you look that word in the Greek it means *all.*

Did you that *Yah* did not make mankind to live in sickness? That was a result of the Fall. Sickness does exist and physical things do exist. I'm not denying that they exist but I deny that is *Yah* that has permitted it. *Yah* did not cause it, it's the devil or at the very least it's just natural things. *We live in a fallen world* and there are natural *things that happen.* If you have a car accident it's not necessarily the devil who did it. There are going to be problems when things happen. There are some natural things that happen and I'm not saying that everything that happens to you is totally demonic. About half of the time *Yeshua* cast demons out of people to affect cures. Other times He just laid hands on people and they recovered. If you hit your hand with the hammer you know that it's going to hurt and swell up. That is just natural. But *you don't have to let it just run its course.* You can believe *The Almighty* and you can *heal supernaturally* from it. My point is *Yeshua* is the express image of *The Almighty.* *Hebrews* Chapter 1 verse 3 states: *"³The Son is the radiance of His glory and the imprint of His being, upholding all things by His powerful word."* *Yeshua* is the *flawless and perfect manifestation of His image.* Angels spoke about *The Almighty* and there were *Visions* in the past, but now *Yeshua* is here. *Yeshua* is the express image and a perfect representation. And *Yeshua* went about doing good. It was good to heal and it's bad not to be healed. There are 17 individual times that *Yeshua* healed *every single person that was in the crowd.* There are 47 times that he healed other people. So if you add all of that we get 64 instances of *Yeshua* healing people. And many of those times it says that the *multitude was healed.* This is more healing than He talked about heaven, or than He talked about hell, or than he talked about living or than he talked about anything else. *Yeshua* used healing. It is *The Almighty's* will for you to be well. You you can't waver on this. You've got to know that *it is God's Will,* and Satan is going to constantly test you. Most people just let what they see and their experience trump what His Word says. The Bible states: *"With long life will I satisfy thee"*. I can guarantee you it is always, always, always *The Almighty's* will to heal.

Let me share another verse with you: *"²³Yeshua was going throughout all the Galilee, teaching in their synagogues and proclaiming the Good News of the kingdom, and healing every kind of disease and sickness among the people. ²⁴News about Him spread throughout all Syria. And they brought to Him all the sick—those tormented by various diseases and afflictions, those plagued by demons, the epileptics, the paralyzed—and He healed them"* (Matthew 4:23-24). You aren't waiting on *Yah* to heal you. *Yah* is waiting on us *to believe.* It's not *The Almighty* who is controlling the flow of healing it's us. *And it's our own doubt and unbelief that stops the flow of God's healing in our life.*

Closing: *The Word* was sent. Keep on keeping on. Memorize *Psalm 107:20* and *Psalm 103:1-5* and meditate on these every morning when you wake up or every night before you go to sleep. Let these *truths of His Word* wash over your mind, until they become your reality. *Faith comes by hearing and hearing by the Word of Yah.* The more you hear it, the stronger your faith. You are not the sick trying to get healed. *You are the healed* appropriating *His Promises* and fighting off *an enemy attack*. He sent *His Word and His Word* is holding you now. *His Word* is sustaining you. *Shabbat Shalom.*
