

Misconceptions About Healing

Yeshua The Healer is in you. We want to begin experiencing the *Book of Acts*. We need to eliminate hindrances in the functioning of *HS-directed healing* in *KS*. We want to be fully active in His *Awakening*.

We established that *Yehovah Rapha* sent *His Word*, *Yeshua* our *Rophé*, and *rescued* (*redeemed*) us from the pit/grave/destruction we are/were in: “²⁰*He (Yehovah) sent His word (Yeshua) and healed (Rapha) them, and rescued (delivered) them from their pits/graves/destruction (Psalm 107:20)*”. Healing (*rapha*) is a function of the *Redemptive Work of Yeshua*. If *Yeshua* is in you, then *The Healer* (our *rophé*) is in you! If you have this power (*His Son and His HS*) living inside of you and it was the *HS* who raised *Yeshua Messiah* from the dead, ***why don't we use it this power?***

Why are we always trusting something else and using *The Almighty* as a backup? *Yeshua* purchased our healing. It is part of *The Redemption*. It is ***not just optional***. It doesn't just come on a few people. You know by observation that many people claim to be healed and yet they aren't. Some do die or they continue to be sick. We assume that ***well, maybe God doesn't Will to heal every person***. Wrong! We arrive at excuses to explain why healing doesn't happen. I can't tell you all the reasons. ***But I do know that Yeshua wants every single person healed***. Every time *Yeshua* provided healing in the Gospels, it was for ***every disease (everything), without exception***. There are ***no exceptions*** to the healing that *Yah* sent *Yeshua*! *The Almighty God* heals ***ALL of our sicknesses and all of our diseases***. In *Psalm 103* we read: “²*Bless Adonai, O my soul, and forget not all His benefits: ³He forgives all your iniquity. He heals all your diseases. ⁴He redeems your life from the Pit. He crowns you with lovingkindness and compassions. ⁵He satisfies your years with good things, so that your youth is renewed like an eagle (Psalm 103:2-5)*”. Most people aren't totally convinced of that. Are you convinced? You've got to get completely convinced that *Yah* has already ***healed all of your diseases***. The truth is already written in His Word and *Yehovah's Word* is ***Truth***. *His Word* is ***already settled***. *He* is not a man that *He* should lie. Do you believe His Word? I believe *His Word*.

You can't always be around somebody who's got a healing anointing and the good news is you don't have to. *The Almighty* does heal through people that have an anointing, ***but you need to learn how to receive directly from The Almighty***. And it's really not hard. It is super simple. Matter of fact you got to be trained to be as full of unbelief as most of us are. As we as we grow in the faith we've been told that God doesn't do this and He doesn't do that. We're constantly deflected to human things instead of looking to God. We look to the doctor we look to medication We are against any of those things. However, ***if it hadn't been for doctors all the Christians would be dead***. Most of us were raised to think that you're an absolute weirdo or you're a fanatic if you're trying to believe God for healing when you can take a pill and get over your headache. Most people feel like it's abnormal to be healed supernaturally! When people talk about getting healed what they mean is they went to the doctor they got a surgery or a procedure. If you say that God healed you without going to the doctor people are going to criticize you and they're going to stand against you. ***If you have the same power living on the inside of you that raised Yeshua Messiah from the dead, then why don't we use it?***

We've got to get to a place that we do not compromise our faith and we don't let what the doctor says, or what the lawyer says, or what the banker says, or allow in our mind anything that is contrary to what *The Word* says. This is where so many miss it. But ***we've got to stand against unbelief***. Scripture states: “¹⁷*No weapon formed against you will prosper and you will condemn every tongue that rises against you in judgment. This is the heritage of Adonai's servants— their vindication is from Me.*” *It is a declaration of Adonai*” (*Isaiah 54:17*). ***Words are weapons***. Words establish the future: “*Death and life are in the control of the*

tongue. Those who indulge in it will eat its fruit” (Proverbs 18:21). When you hear: *you're going to die, this is incurable, this can't happen, you're going to be like this the rest of your life,* since words are weapons, *Isaiah* said we have to condemn them.

Yeshua never failed to heal one single person. He never told anybody *you haven't learned your lesson yet* and so *you need to suffer a little bit longer.* **He healed them all:** *“³⁸You know how God anointed Yeshua of Natzeret with the Ruach ha-Kodesh and power—how He went about doing good and healing all who were oppressed by the devil, because God was with Him” (Acts 10:38).*

Religion has taught us well. We think God will say no because *we don't deserve it.* *Yeshua* never ever, ever, ever said no to a single person on healing. Not one, *not one time,* not one time. *Most people don't let the Bible get in the way of what they believe.* It doesn't matter what anybody else does or says or believes: *“Let God be true even if every man is a liar (Romans 3:4)”* *The issue is what does God's word say about it?* You need to get to where God's word is more authoritative to you than any other thing.

In *Isaiah 53: 5* where it says *by his stripes we are healed* isn't just talking about spiritual healing. It's refers to physical healing also. *It's a part of the Redemption.* *Yeshua has healed you just as surely as he has forgiven you.* There is no sin that *Yeshua* wants you to bear. God will never lead you into sin. I think most Christians understand that. *You are just as redeemed from sickness as you are from sin.* That's right and Scripture is saying it. *1 Peter 2:24* puts it in the past tense *“by whose stripes we were healed”*. It was done 2,000 years ago. You aren't waiting on God to heal you. God is waiting on us *to believe.* It's not not God who is controlling the flow of healing *it's us.* *It's our own doubt and unbelief that stops the flow of God's healing in our life.* But in light of all of these things we can't say *God is it Your Will?* or *If it's Your Will* heal me. Any way you cut that, that is expressing unbelief. God has already healed You and by his stripes you are/were healed.

There's probably thousands of reasons why people struggle. But it's all on our part. It's not God's part. *God's Will is for you to be well.* And you've got to get to a place to where you don't waver on that you don't compromise that. You've got to get dogmatic. You got to get unflinching. You got to be 100% convinced that *it is God's will for you to be well.* It is the foundation. If you waver on this you'll never see healing come to pass. It says over in James chapter one that *“whoever lacks wisdom let him ask of God that gives to all men liberally and upbraids not and it shall be given him but let him ask in faith nothing wavering for he that waivers is like a wave of the sea driven with the wind and tossed let not that man think that he shall receive anything of the Lord a double-minded man is unstable in all of his ways”*. All that's saying is that you got to believe without doubting. *You cannot believe and unbelieve at the same time!*

Most of us have been *baptized in unbelief we've been raised in unbelief.* *We've been raised to believe that sickness is just a part of living and according to most people's experience that's true.* But that is not what the word teaches. *You don't have to live a life of sickness.* You have got to know and then if you know that beyond any shadow of a doubt *James 4:7* says *“submit yourselves therefore unto God, resist the devil and he will flee from you”*. There are things you submit to like the things that are of God. Sickness is not of God so you never submit to that. And then *you* resist the devil and *he will flee* from you. Not from God but from you. God's put his power and authority in you and if *you don't stand up and resist the devil he won't flee.* God and the devil have already met. *Yeshua* won that battle. There is no direct conflict between *Yeshua* and the devil. *Satan is fighting us.* He's coming against us. *Yeshua* has done his part. He is seated at the Father's right hand and he put this power on the inside of us and we have to rise up and we have to resist the devil. The word resist means to actively fight against. Saying *God, if it's Your Will heal*

me is *not resistance*. That's right. *That's begging and that's pleading*. That's not taking your authority.. *Yeshua* said you have to speak to the mountain. You speak to the mountain and you command the mountain to move. He didn't tell you to tell God about your mountain and talk to God and pray about your Mountain. He told us to speak to the mountain and tell the mountain about God. *"Whoever will say unto this mountain, be thou removed be thou cast into the sea and shall not doubt in his heart but shall believe that what he says will come to pass he will have whatsoever he says (Mark 11:23)" You have to speak it.*

In *Acts 3* Peter and John and the apostles knew that they had healing power. *Yeshua* gave them the power to heal the sick. In *Matthew 10: 1-2 Yeshua* gave his disciples *"authority and power over all sickness, over all disease, over all demons to cast them out"*. And then he said in *Matthew 10:8: "go heal the sick cleanse the lepers and raise the dead, cast out Devils. Freely you've received and freely give"*. *He told us (His Disciples, that is you) to heal the sick*. He didn't tell you to pray to *The Father* and ask *Yeshua* to heal the sick. He gave you the same power that raised *Yeshua* from the dead. God himself and the resurrection power lives inside of you. *You have to resist the devil and he will flee from you*. Man this this is powerful. But you can't do that if you can't resist.

You can't actively fight against that sickness *if you think that God is the one who gave it to you* or *if you think God allowed it* or *if you think God is using it to teach you something*. The most you can do in those situations is just *pray and beg and ask God to do it*. But for you to stand up against sickness and demand that sickness to get out of your body and say, *I refuse to be sick*. Most people won't even think that way: They can't do that. *I don't have any control over cancer*. That's the reason you got cancer. It's because you don't believe that you have the power, the resurrection power, and so when they say cancer it puts you into a passive position. And *oh God cancer is bigger than me*. Well it's bigger than your natural self but it's not bigger than your spiritual self. On the inside the power that raised *Yeshua* from the dead is inside of you and it's more than enough to get you well.

I've got his power on the inside of me and because of that I need to recognize that *I have the resurrection power*. *It's the devil trying to steal healing from me and I'm not going to be passive*. I'm going to stand up and rebuke this and resist it and fight against it. And when you do that *the devil and sickness will flee from you*, Amen! But again the average Believer is: *oh God I am nothing, I have nothing, would you please heal me*. You are denying what God Said. You aren't taking your Authority. You aren't using your power. We're trying to teach you that God has paid for the healing of every single person. I don't care what it is or whether the doctor says there's a cure for it or not. *Yeshua has a cure for it*. And that cure is not out there somewhere, *it's inside of you*. That's right! But you have to activate it. You have to release it. And there's a lot of people that are just so passive that you won't do that kind of stuff. It's a chicken prayer to say *God if it's your will please heal*. Anybody can pray that. But for you to stand up and *say in the Name of Yeshua I am healed and I demand this sickness to get out of my body!* Not many people will do that because man then you're on the spot. If nothing happens you are on the hook. But when you say *God if it's your will* and then if nothing happens well it must not have been God's will or maybe because I haven't learned my lesson yet, God's delaying it, it's going to come in the future. And we come up with all these other things. Amen! Not many people are going to like this way of ministering. They might get upset because *it's taking away excuses*. *It's convenient to just say, well, God works in mysterious ways. You never know what God's going to do. Or must not have been God's will. Those are cop-outs*. The Bible tells us us what God's will is and if you've listened today I read you where he healed every single one. *It is God's will*. When the leper said *if you will you can heal me* He said *I will*. And he's no respecter of persons. *If it was God's will to heal that leper it is God's will to heal you*. But

you got to stir yourself up or you'll sink to the bottom. And this is what has happened. **Most of us have sunk to the bottom.** Most of us are just super passive looking at it as if **God and I have no power, would you please move?** We need to get up and resist the devil and that includes actions. **You got to act.** For you to sit there and just be passive and laying down and giving up. That's not active that's passive. **Get up and do something that you couldn't do.** *Resist the devil and he will flee from you. Amen!* So if you've been listening *I believe that it's God's will for you to be well, even today. So let us appropriate it!*

Closing: *The Word* was sent. Keep on keeping on. Memorize *Psalm 107:20* and *Psalm 103:1-5* and meditate on these every morning when you wake up or every night before you go to sleep. Let these *truths of His Word* wash over your mind, until they become your reality. *Faith comes by hearing and hearing by the Word of Yah.* The more you hear it, the stronger your faith. You are not the sick trying to get healed. *You are the healed* appropriating *His Promises* and fighting off *an enemy attack*. He sent *His Word and His Word* is holding you now. *His Word* is sustaining you. *Shabbat Shalom.*
