

Adonai Has Already Healed You: Yeshua The Healer is in You – Part 1

Last week I shared that *Yah* is “*Adonai Rophi!*” – *Adonai My Healer!* As we deepen into *Yah's* revival and begin experiencing the *Book of Acts*, we immediately observe that in *Acts* there were many (>50%) manifestations of Supernatural Healing (His Healing). We need to eliminate any hindrances in the functioning of *HS directed healing* in our midst. We want *KS* is to be fully active in this *Awakening*.

There is a lethal weapon in our hands that can stop *The Almighty's* work in *KS*. **Unbelief** stops the *The Almighty's* revival because unbelief prevents miracles. Unbelief stops our ministry against principalities and powers. Unbelief limits His working: “*58And He did not do many mighty works there because of their unbelief*” (*Matt. 13:58*). Unbelief brings a rebuke. Unbelief would have stopped Abraham from reaching the Father's goals for him. Unbelief is keeping our people from being grafted into their own Olive Tree. Unbelief causes *Adonai* to *shut up* mankind. Unbelief leads to apostasy. Unbelief keeps us from entering our Shabbat Rest and fall short of the mark. I agree with the father of the child in *Mark 9:24* and say: “*Lord, I believe! Help Thou my unbelief!*” It is written: “*6Now without faith it is impossible to please God. For the one who comes to God must believe that He exists and that He is a rewarder of those who seek Him*” (*Hebrews 11:6*). Hence, it is imperative that our faith *grow to 100%* for *KS's* success.

We, in the *KS* Ministry Teams are *not your priests* and you *do not* have to go through us to get to *Yah*. We are committed to *equipping and training* you {“*12to equip the kedoshim for the work of service, for building up the body of Messiah*” (*Eph. 4:12*)} so that *you can receive directly from The Almighty*. There are special times that *HS* just *shows up*. But there is a lot of living in between those special times, meetings and conferences. A lot of things happen in between and you aren't always under some *special anointing*. *Yeshua's* mandate is to equip people **on how to receive directly from Him**. And this really not hard. It is super simple. Matter of fact, you got to be trained to be as *full of unbelief* as most of us are. But did you realize that as we have grown in the *Believer's Faith* we have been told that we have grow up and mature and not be *as childlike* as when we *first* came to Him? We have heard that *God doesn't do this* and *He doesn't do that* anymore. We have been constantly diverted to look elsewhere for healing instead of looking *to Him first*. So we look to the doctor and the medication to bring about healing. Don't you agree? I have... I'm not against any of those things. *If it hadn't been for doctors all the Christians would be dead* because *Believer's do not go to Him for healing at all*.

I'm saying that this *is not The Almighty's number one* way of ministering. *Yeshua* did not come and tell people how to apply *their knowledge* and get drugs and do things like that. I'm not saying that you don't use those things. But I'm saying again that we ought to look *first* to *Yeshua*. And yet we're constantly told, and most of us were raised so that you are an absolute weirdo, or you are a fanatic if you try to believe *The Almighty* for healing. Why bother in going to *Him* when you can take a pill and get over a headache. They tell us *do this and do that* resulting in our faith being deflected from *The Almighty*. So most people feel like it's *abnormal* to be *healed supernaturally*. When many people talk about their healing nowadays, they mean, that they went to the doctor and they got a procedure and after recovery they are *almost* back. *The Almighty* does use those things and I'm not against that. But if you were to say that you know for a fact that *God healed you without going to the doctor*, you may be subject to criticism. Society is going to stand against you. If you go to the doctor and you are healed, praise God! What if we believed *Yah* and got healed? This would constitute a *HS* Revival and people would flock to it *get some*.

Last week we considered *Psalm 107:20*: “*20He sent His word and healed them, and rescued them from their pits.*” This *psalm* foreshadows *Messianic* times, particularly in the healing power of *Yah’s Word*, which early Believers saw *fulfilled* in *Messiah Yeshua*, the *Incarnate Word* (*John 1:14*). We sang *I am the God, that healeth thee, I am the Lord your Healer. I sent my Word and healed your disease. I am the Lord your Healer* and prayed *Psalm 107:20* over the congregation. Because we did not have audio I was unable to play the first 15 min. of the *The Miracle Verse That BURNS OUT Sickness* video. I encouraged you to view this yourself (See <https://www.youtube.com/watch?v=TfyICoeNWig>).

My goal today is to begin affirming and establishing that *Adonai Already Healed You* since *Yeshua The Healer is in You*. We must rebuild the foundations of faith that have been lost in our past faith training in order to fully engage with *Yah’s* awakening revival that is already being experienced elsewhere. Where are the miracles in *Kol Simcha*? Are there any healing miracles left for *Kol Simcha*? Do the people that attend *Kol Simcha* need healing? Yes, yes, and yes. In fact, there is ministry inside *KS* that has been actively seeking and praying for healing miracles. *How do we remove unbelief?* Answer: “*17So faith comes from hearing, and hearing by the word of Messiah*” (*Romans 10:17*). That is the answer.

We have already established that *Yehovah Rapha* sent *His Word*, *Yeshua* our *Rophé*, and *rescued* (*redeemed*) us from the pit we are/were in. So healing (*rapha*) is a function of the *Redemptive Work of Yeshua*. If *Yeshua* is in you, then *The Healer* (our *rophé*) is in you! What? Healing is and lives in me? I don’t have to go get it elsewhere? This is as simple a truth as when you realized *Yeshua is Jewish*. A *Jewish Rabbi*, *Rabbi Yeshua*, lives in me. Duh! A *Yehovah-sent* person, *His Incarnate Word*, was dispatched to *heal me!* *He* is *Yeshua Rophé*. For Believers there is no question that *Yeshua* and *His Father*, *Yehovah The Almighty*, want *ANY* sin in our lives. Is there *any sin* *Yeshua’s* Redemption did not eliminate? Obviously, None! *Yeshua* was sent by *Yehovah*: “*For God so loved the world that He sent His only begotten Son. That whosoever believes in Him should not perish. But have life everlasting, His life everlasting*”. But *He* was *also sent* to be our *Healer* (my *Rophé*). I am saying that if you have the same power (*His Son and His HS*) living on the inside of you that raised *Yeshua Messiah* from the dead *why don't we use it?* Why are we always trusting something else and using *The Almighty* as a backup? We need to get committed to the fact that *Yeshua* purchased our healing. It is part of *The Redemption*. It is *not just optional*. It doesn't just come on a few people. You know by observation that many people claim to be healed and yet they aren't. Some do die or they continue to be sick. I admit that happens and we look at it and assume that *well, maybe God doesn't Will to heal every person*. Wrong! Denominations say that *Yah Adonai* put sickness on you to teach you something. That *The Almighty* uses sickness to *break you* and *mold you* and to *make you a better person*. If that was true then *all of the people who've been sick would be the best people*. That is for sure not true! *Yah* doesn't do this. We come up with all manner of excuses to explain why it doesn't happen. I can't tell you all the reasons. I haven't learned everything about it personally. But I intend to try! *I don't know everything!* I'm not claiming that I know it all but *I do know that Yeshua wants every single person healed*. Every time *Yeshua* provided healing in the Gospels, it was for every disease (*everything*), *without exception*. In fact, there are *no exceptions* to the healing (*rapha*) that *Yehovah* sent *Yeshua* for in *Psalm 107:20*. Period!

Do you have to have a scripture that says *God heals AIDS, God heals cancer, God heals Heart Disease, God heals ... The Almighty God* heals *ALL* of our sicknesses and all of our diseases which is what *Psalms 103* says: “*2Bless Adonai, O my soul, and forget not all His benefits: 3He forgives all your iniquity. He heals all your diseases. 4He redeems your life from the Pit. He crowns you with lovingkindness and compassions.*

“He satisfies your years with good things, so that your youth is renewed like an eagle.” But the truth is most people aren't totally convinced of that. Many times we feel like we deserve this and we bear our sicknesses. You got to you've got to get completely convinced that *Yah* has already healed you. The truth is already written – *Yehovah's Word* is *Truth*. *His Word* is *already settled*. *He* is not a man that *He* should lie. I believe *His Word*. I want *The Truth (His Word)*, the *Whole Truth (His Entire Word)*, and *Nothing But the Truth (His Word)*, so *help me God*.

The word was sent. Keep taking your medicine. I encourage you to memorize *Psalm 107:20* and *Psalm 103:1-5*. Meditate on these every morning when you wake up or every night before you go to sleep. Let these *truths of His Word* wash over your mind over and over again until they become your reality. *Faith comes by hearing and hearing by the Word of Yah*. The more you hear it, the stronger your faith becomes. You are not the sick trying to get healed. *You are the healed* appropriating *His Promises* and fighting off *an enemy attack*. *Your identity is healed*. Your identity is *whole*. He sent *His Word and the Word* is holding you now. *The Word* is sustaining you. *Shabbat Shalom*.
